INSTRUCTIONS

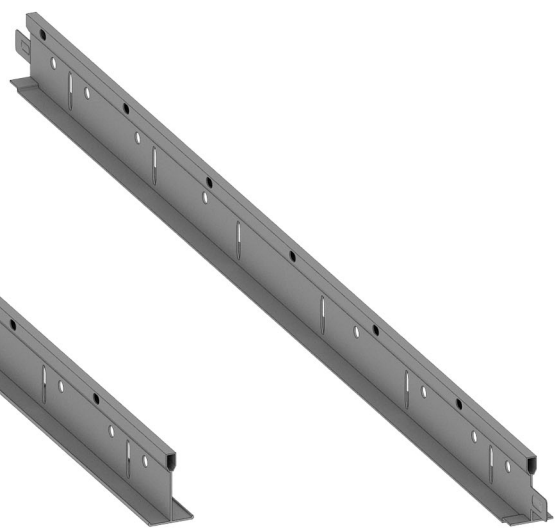

# These are your parts.

**L Profile**  
optional

**T24 Main Profile**

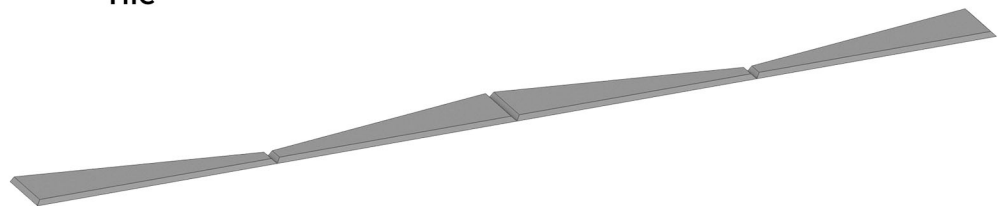

**T24 Side Profile**

**Tile**

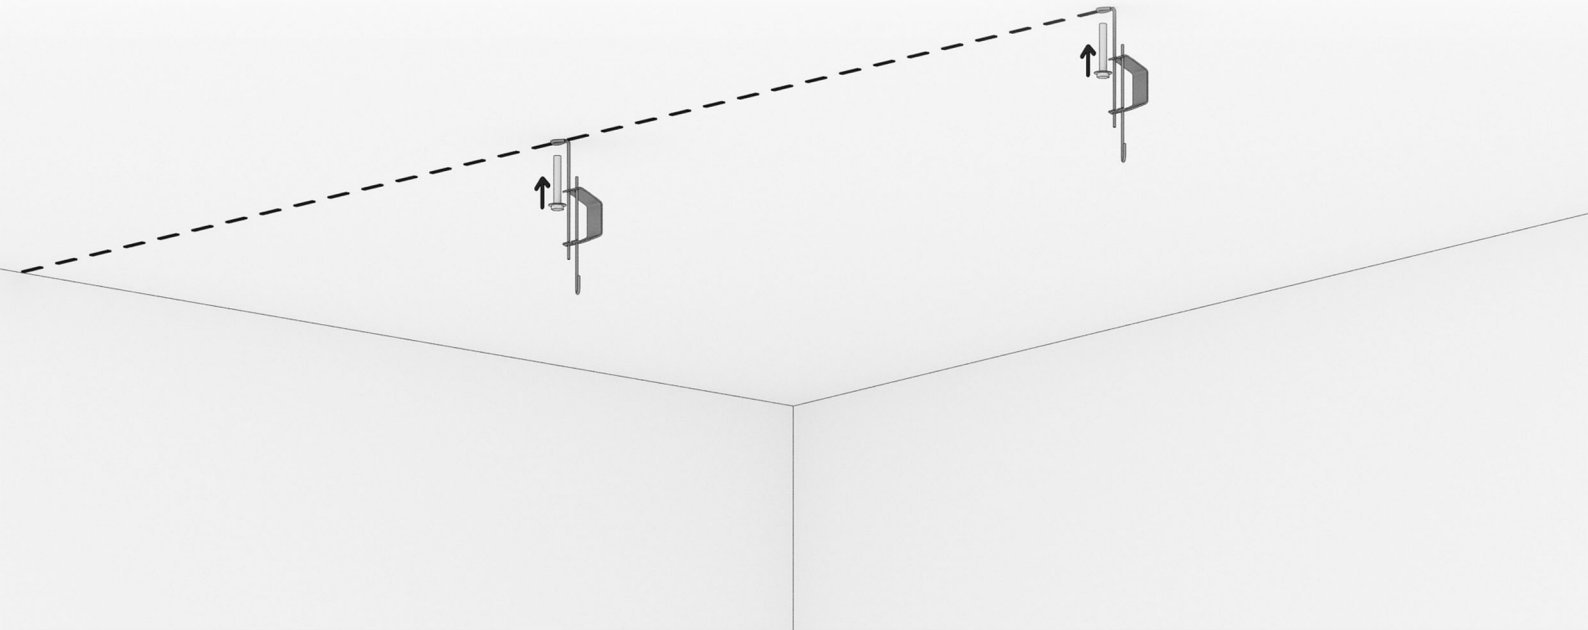

**Adjustable Hanger**

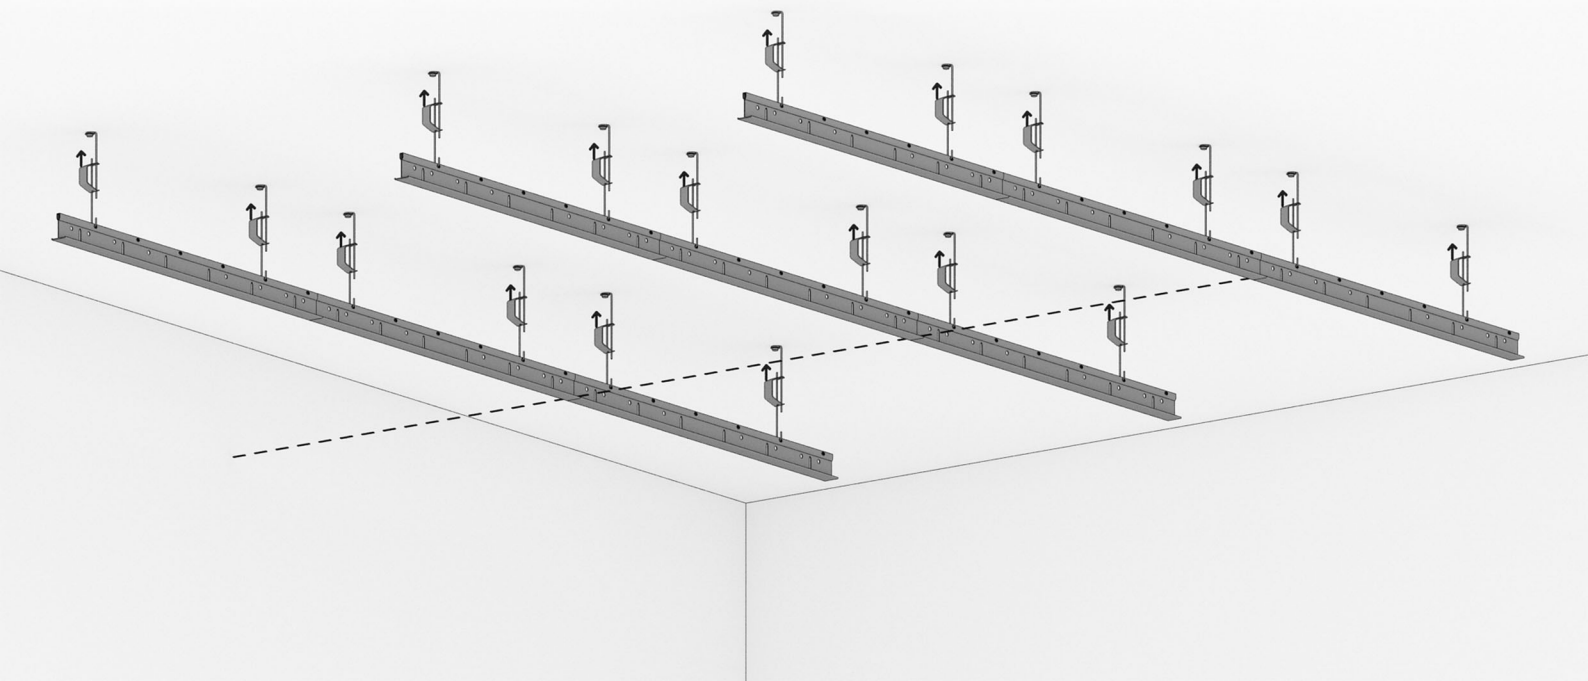

**Frame**

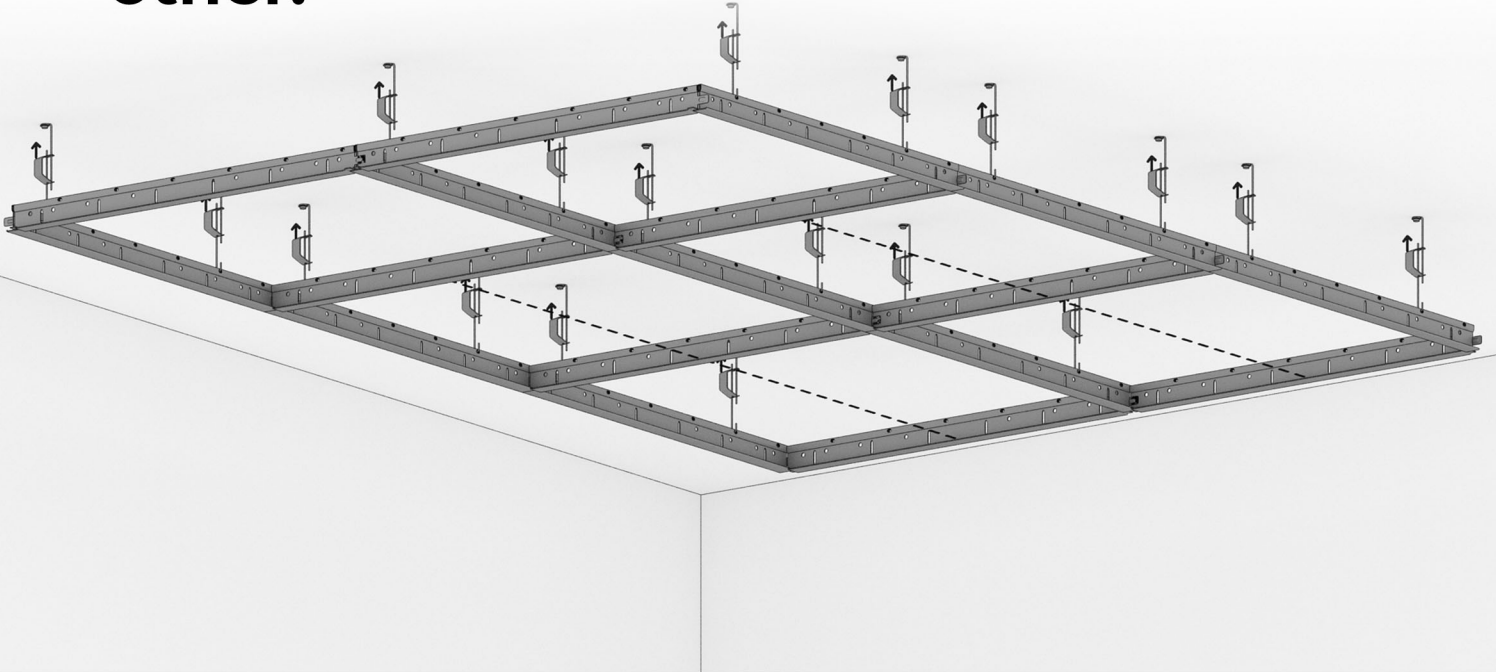

- ① **Mark the construction line on the ceiling and screw the hangers following the lines.**

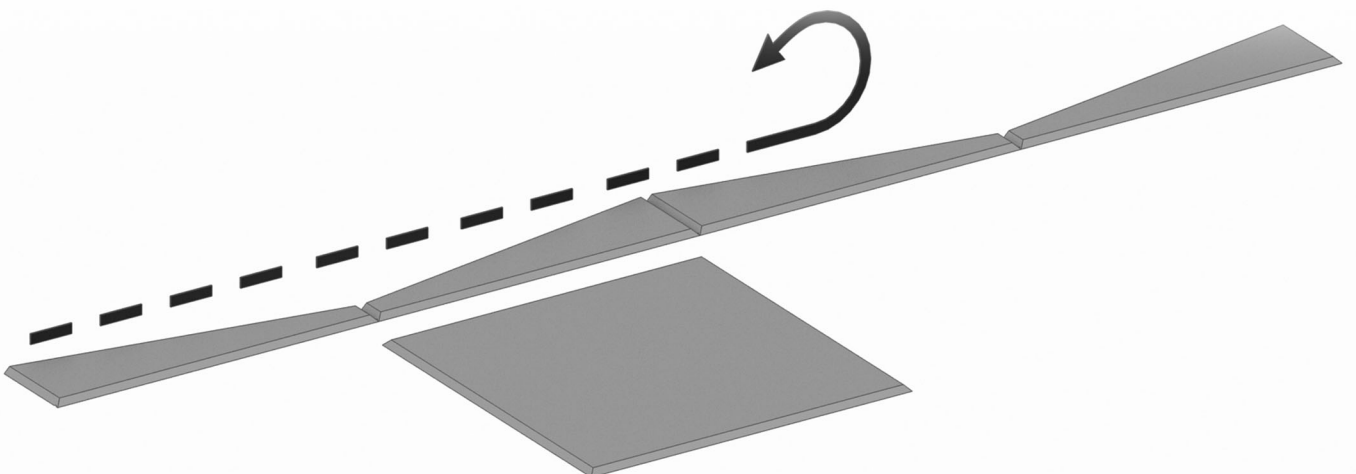

- ② **Install the T24 main profile on the hangers.**

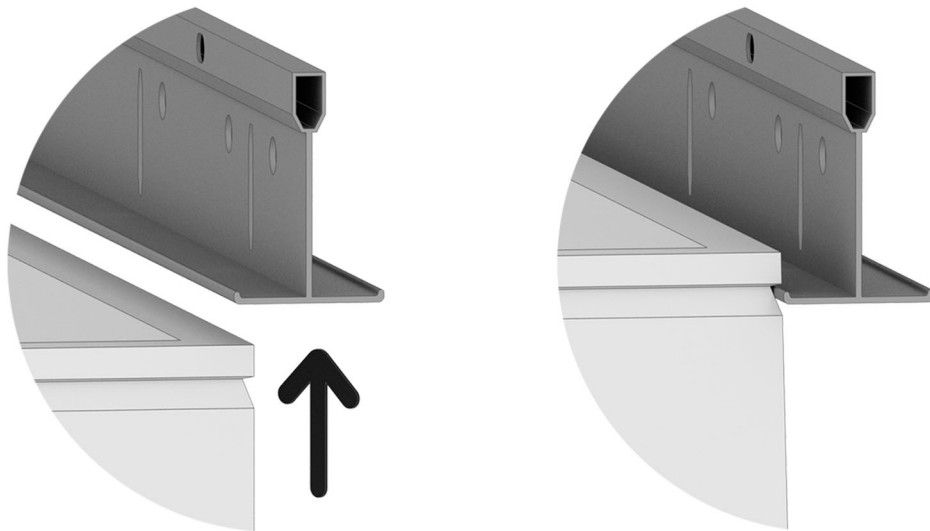

- ③ **Install the T24 side profiles between the mains, keeping 60 cm from each other.**

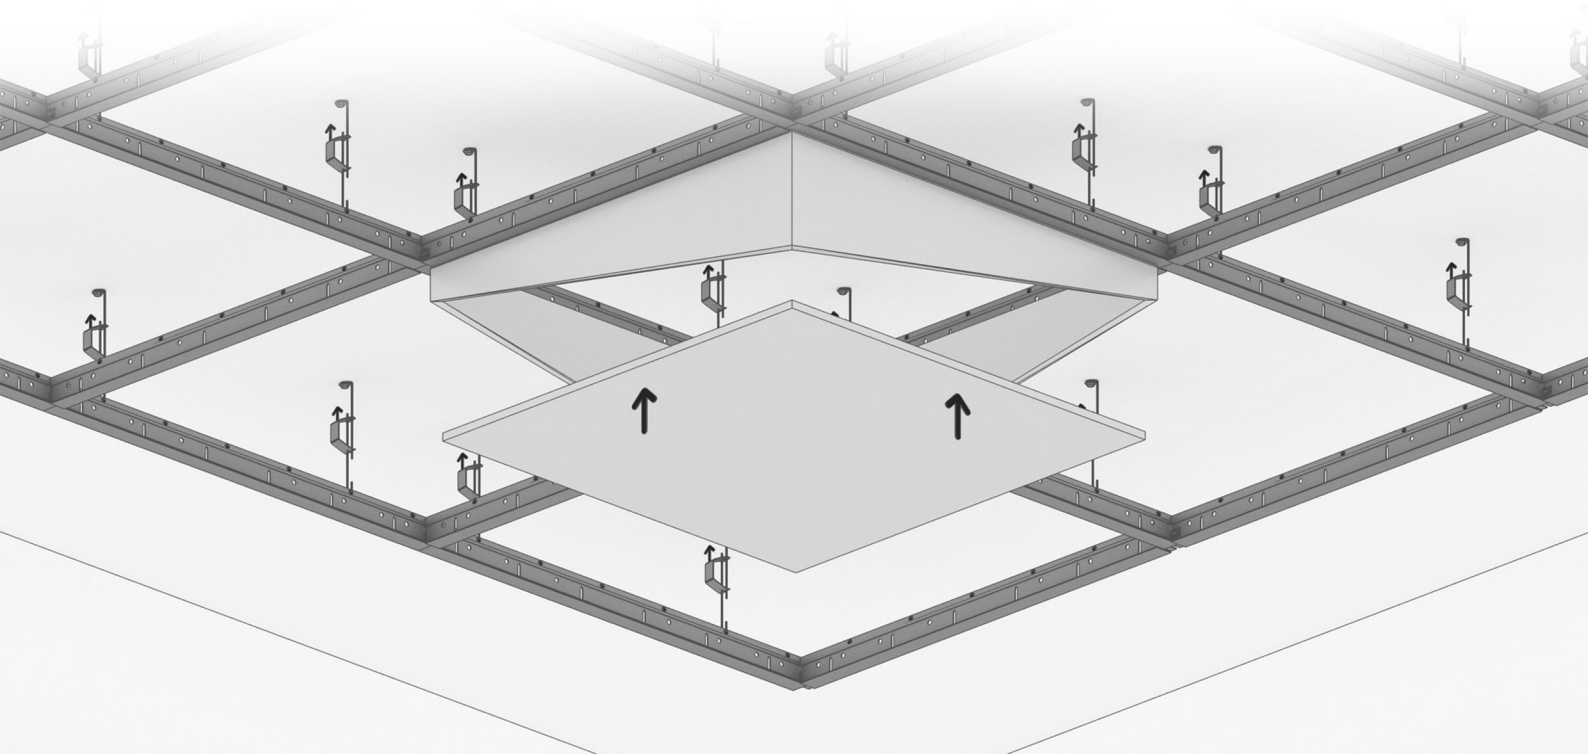

- ④ **Fold into a square frame.**

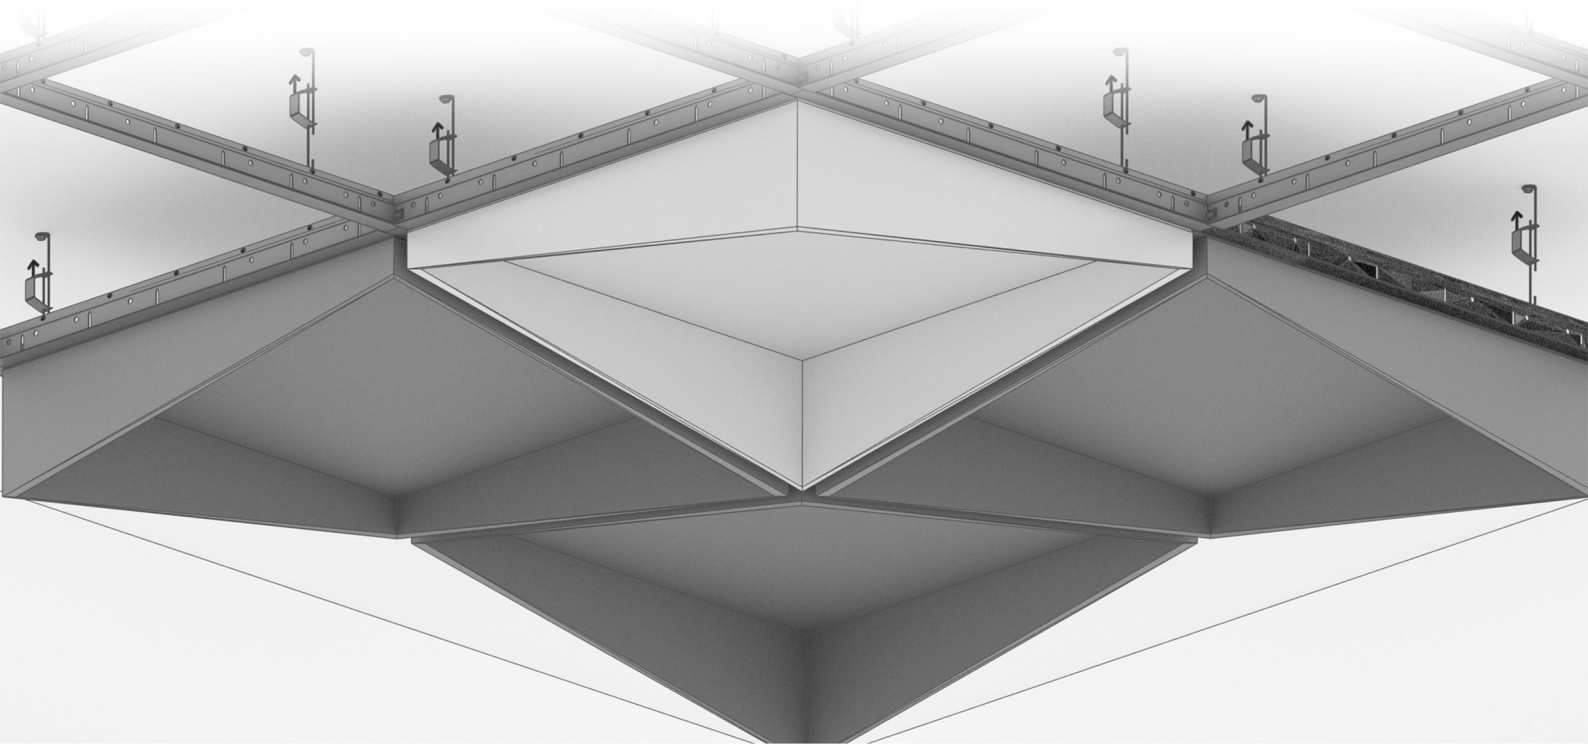

- ⑤ **The frame must be nailed to the T24 profile.**

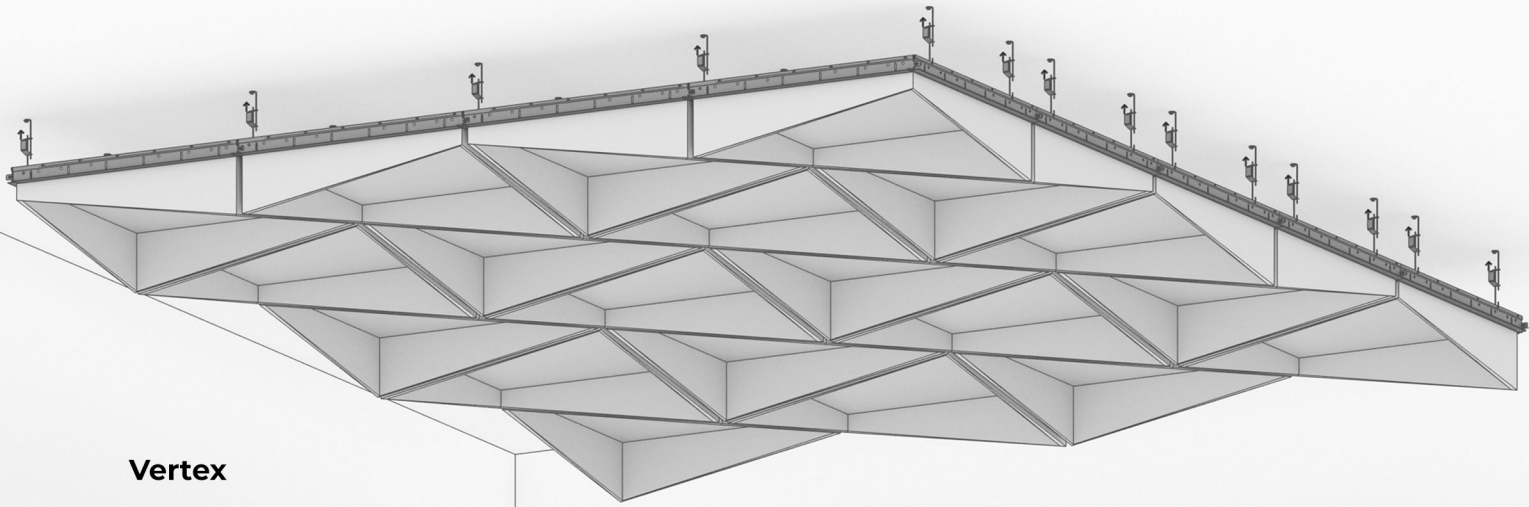

- ⑥ **Place the upper tile above the frame, also lying inside the frame itself.**

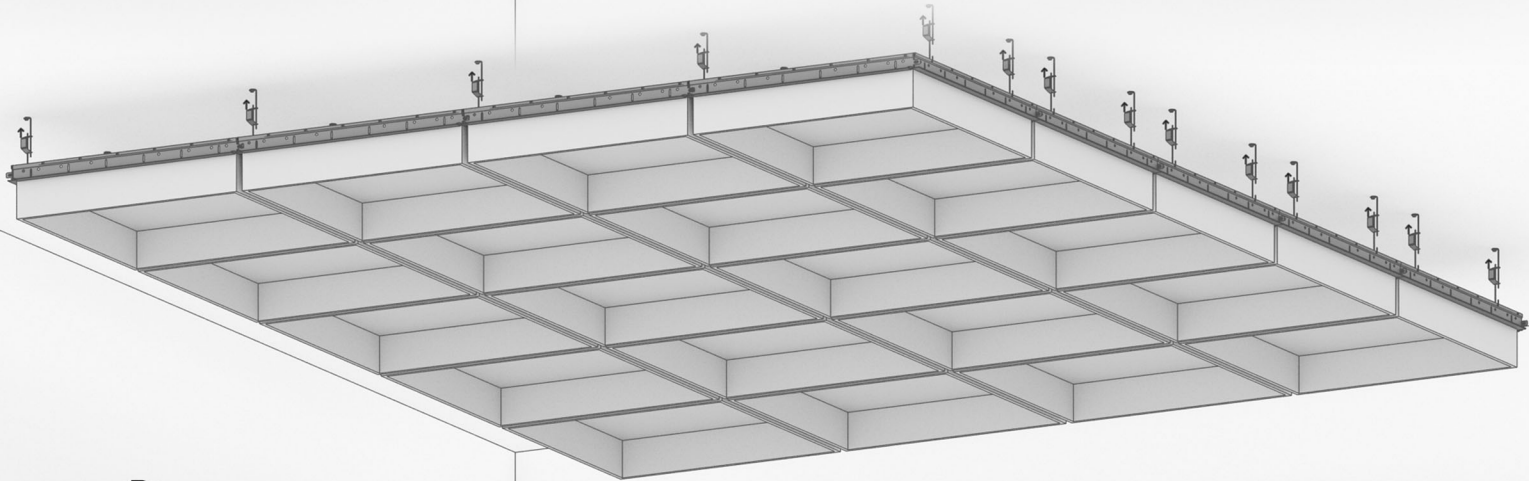

- ⑦ **Repeat the instructions for the entire ceiling.**
